In Remembrance

Comfort

Oh, deem not
  they are blest alone
Whose lives
  a peaceful tenor keep;
The Power who pities man,
  has shown
A blessing for the eyes
  that weep.

The light of smiles
  shall fill again
The lids
  that overflow with tears;
And weary hours
  of woe and pain
Are promises
  of happier years.

An Invitation

"From the first auction sale in 1935 by brothers Morton and Joseph, through the long stewardship of the firm by Norman and Harvey, to the current guidance of Harvey and Larry, the Stack's have had an uncanny ability . . . Not only have they helped to form many of America's finest collections, they have also been chosen to sell them . . . Stack's has sold more real coins to and for more real collectors than any other firm in the history of American numismatics."

Subject: Rodger E. Hershey People's Choice Award; A Proposal

Dear Sam:

President Ken Bressett gave me your letter of October 31, 1996. I will ask that this letter and my response be used as back-up for the proposed memorial in honor of Rodger Hershey. Please correspond with me in the future and I will take care of it.

ANA is very appreciative of the memorial in honor of Rodger. He truly was a unique person, interesting, enjoyable and a pleasure to be with.

The proposal will be distributed to the Board at the end of January 1997. The motion, which is attached, will be voted on March 17, 1997, in Cleveland. I will let the Board know of the proposal in my November 31, 1996, report.

I certainly would be a pleasure to have Dottie make the first presentation in New York — and subsequently. The People's Choice Award is presented at the banquet.

Sincerely,

Robert J. Leuver

1996 Rodger E. Hershey Memorial Auction

Lot 1: **"Grading Mint State U.S. Coins"** 88 minute video with J.P. Martin, produced in 1992. Learn the basics of grading mint-state coins from senior numismatist and authenticator for ANAAB. Special emphasis on Morgan dollars, Walking Liberty halves, type coins, and gold. On sale by ANA for $39.95. Never viewed. (MB $25)

Lot 2: **1947 USSR State Bank Notes** Four colorful and attractive bank notes that were legal tender in the Soviet Union between 1947 and 1961. Issued in an attractive binder by The Bank for Foreign Trade of the USSR. (MB $12)

Lot 3: **The Coin Makers by Thomas W. Becker** Highly readable and nicely illustrated book on the world-wide manufacture of coins. Great to curl up with in front of the fireplace on a snowy January evening. (Beats a sharp stick in the eye, anyway.) ©1969 and still in excellent condition with original paper jacket. (MB $12)

Lot 4: **Ladies Watch** Manufactured by Sutton. Face is surrounded by 5 points of diamonds set so they appear like more. Great inexpensive dress watch. Ideal for a young teenager or for that woman you're living with whose name you can't remember. (MB $15)

Lot 5: **1987 Cathedral of Learning Medal in Silver** (Medallic Arts) Here's a chance to own a piece of history. No serious Pittsburgh collection can be absent it. This is the University's official Bicentennial medal, and at 11+ troy ounces is by far *the largest* college medal in sterling silver known to this cataloger. (Second largest is the elusive 1937 Cathedral Medal.) A rarity! Only 15 were made. Comes in original box with display stand. This is 10/15. (MB $160)

Lot 6: **Coin World Trivia** Issued in 1985 by Amos Press at $17.95. Contains over 2500 questions and answers using novice and expert levels of numismatic skills. A must for the team preparing itself for a World Series of Numismatics competition. Nearly in mint condition. (MB $16)

Lot 7: **"Money: History in Your Hands"** Video by ANA and PNG, narrated by James Earl Jones. Entertainment for the whole family, not just numismatists. Runs for about an hour. (Close enough for government work.) Never viewed. (MB $15)

Lot 8: **Silver Spoon** Beautiful piece of flatware fashioned in the 1890-1910 period by the Watson & Newell Company of Attleboro, Massachusetts. Engraved on the handle to "Elsa," but most notable for the delicious hand engraving of the Pittsburgh Courthouse in its larger-than-average bowl. In any spoon auction this beauty would bring $25 or more. (MB $25)

Lot 9: **Proof-Like Coin Sets of the Soviet Union** Bound elegantly, each of four sets (1974-1977) contains nine coins in denominations from One Kopec to One Rouble. All sets are sealed in plastic. Issued by Paramount Coin Company. (MB $16)

Lot 10: **Entertainment '97** Here's a terrific last-minute Christmas gift. Contains hundreds of 2 for 1 or 50% off deals at some of Pittsburgh's finest restaurants and most exciting entertainment complexes. Keep it for yourself and you'll be busier than a cat covering s____ in an asphalt parking lot, or a one-legged man in an a___-kicking contest. Sells for $30. (MB $28)

Lot 11: **"The Story of Yellowstone National Park"** Marvel at "Old Faithful" erupting, abundant wildlife, and thundering waterfalls. You're in for 65 minutes of excitement. Produced by Qestar Video in 1991. (MB $15)

Lot 12: **Rare Edison Amberol Record** Original four-minute recording of "The Washington Post" by Sousa's Band. ©1908 by the National Phonograph Company of Orange, NJ. A true antique! Ex Emerson Smith (MB $16)

Lot 13: **Statue of Liberty Centennial Medal** Issued by the American Numismatic Society in 1985 in bronze with vertigris patina. Oval shape and *very* heavy. Numbered 79 out of a total issue of 500. (MB $24)

Lot 14: **Frank Gasparro Liberty Silver Proof** In 1990 Bowers and Merena gave Frank Gasparro a chance to show the world what *he* had wanted to put on the obverse of the "agony" dollar. These 1.11 ounce silver proofs were issued at $25. (MB $23)

Lot 15: **"Detecting Counterfeit and Altered U.S. Coins"** 160 minute ANA video featuring J.P. Martin. An advanced course in coin fakes and frauds. Filled with full screen images and close-up pictures to show exactly what to look for when checking a coin's authenticity. Retails at $39.95. (MB $25)

Lot 16: **First and Last Set of REH PAN Elongates!** In 1990 Rodger Hershey chose the Cathedral of Learning and in 1996 a Heinz 57 bottle to adorn the PAN elongates. Here's your chance to be one of the *very* few to own a complete set from the two years that includes an SBA Dollar. Why, you'll be slicker than a cat's whiskers! (MB $25)

Thank you for inquiring about our custom minting service. I am enclosing some information which should be helpful.

If you already have a design in mind, please send a sketch or some rendition so we can quote the die-cutting charges. A sketch form is enclosed for you convenience.

Since die-cutting is fairly expensive, you may wish to have your custom design only on one side. We have several reverse dies available for you to choose from. You may use one of these dies opposite your own design for a one-time charge (unlimited use) of $~~100~~ 50.

If you have any other questions, please write or give me a call. Again, thanks for your interest in our custom minting services.

Sincerely,

Steven L. Barker

Dear Don,

I need to see your design before I can give you a firm price but I'm guessing $400-$600 for the Obverse. To help you out I'll waive the $35 set up and $100 reverse usage charge. For (50) 1oz. silver you would pay spot silver (currently $5.68/oz) plus $2. For (3) 1oz. gold you would pay spot gold (currently $385/oz) plus $17.

The same fabrication charge of $17 would apply also for 1 1/2 and 1.85 Troy ounce medallions. The air tite capsules are $.35 each. I have noted in our literature the engravable reverse dies available.

If you have any other questions please call 1-800-788-7481.

Sincerely

Steve Barker

Why Invest In Silver And Gold?

Historically, silver and gold have been recognized as solid, tangible investments. They have proven to be a dependable hedge against inflation during uncertain economic times. Whether you're looking for short-term profits or long-term investment, silver and gold bullion is recommended as an essential part of a well-balanced portfolio.

Why Silver Towne?

Founded in 1949 on the principles of honesty, integrity and reliability, Silver Towne is recognized nationwide as one of the outstanding refiners and dealers in America. Although Silver Towne bullion bars, ingots and medallions are accepted by all bullion dealers, Silver Towne guarantees to buy back its trademarked items at any time at prevailing market prices. MONEY magazine has listed Silver Towne among the largest firms that buy bullion by mail. H. The Freedom Pack

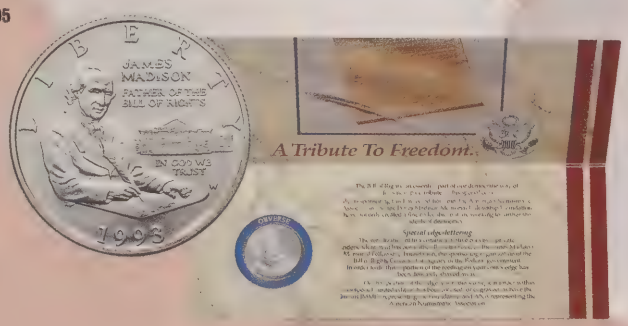
The American Numismatic Association and the James Madison Memorial Foundation are teaming up to create the first limited-edition, privately-numbered U.S. commemorative coin since 1925.

The coin, a BU 1993 Madison/Bill of Rights silver half-dollar, will have a portion of the edge reeding removed to allow a serialized number and the foundation and ANA logos to be incused. SilverTowne is proud to have performed the work.

This coin is specially packaged with a certificate of authenticity and housed in protective bubble pack.

Only $29.95



Morgan Silver Dollars were first struck at the Philadelphia Mint in 1878. They are named after their designer, George T. Morgan, who chose a 19-year-old school teacher as his model. Today, they are one of America's most treasured and collected coins.

The legend of the Dream Catcher is believed to have originated with the Oneida Indians in the northeastern part of the United States.

It is said that the Dream Catcher allows good dreams to flow through the spirit hole in the center of its web. Bad dreams are trapped in the web and then disappear with the morning sun.

The Dream Catcher is often given to infants and children, the young as well as the old, so that their dreams may come true. It is kept throughout life and its mystical power is enhanced by adding fetishes and personal belongings.
